Record of Carroll County Delegation

Concord, New Hampshire, January, 1927.

Carroll County Delegation met in Division five of Representative Hall with fourteen members present, agreeably to notice given by the Speaker of the House.

The following officers were elected:

Chairman,	Harold H. Hart, Wolfeboro
Clerk,	Eugene I. Smith, Conway

As there was no further business to come before the meeting it was voted to adjourn subject to call of the chairman.

EUGENE I. SMITH,
Clerk.

Ossipee, New Hampshire, January 21, 1927.

Fifteen members of the Carroll County Delegation, Gerry and Hamlin being absent, met at the County Farm for purpose of meeting the County officers and consider the matter of appropriation for the ensuing two years. After the usual bountiful dinner prepared by Superintendent and Mrs. Mason, Mr. Commissioner Smart presented his report of the County financial condition and of recommendations for appropriations for the ensuing two years. His suggestions included a change in the location of the old men's quarters, repairs to the barn cellar, furnishings for the house reception room, re-location of the entrance to the jail on account of the fire hazard existing at present. The budget as recommended by Commissioner Smart recommended raising for the County Farm and Court House the sum of \$47,917.00 covering the years 1927 and 1928.

Mr. Kenison, Clerk of Courts, recommended the appro-

priation of the sum of \$50.00 for the purchase of Law Reports for the Carroll County Bar Association to be added to the library kept at the Court House.

Mr. Reed, Clerk of Probate, recommended the purchase of additional files for the Probate Court room.

Mr. Russell, County Farm Bureau Agent and Miss Williamson of the Home Demonstration Branch of the U. of N. H., recommended the addition to the budget of \$1800 covering the expense of an additional worker in the County.

After a tour of inspection of the premises by the delegation the convention adjourned.

EUGENE I. SMITH,
Clerk.

Concord, New Hampshire, February 2, 1927.

The Carroll County Delegation met in the balcony of the House of Representatives after the afternoon session of the House, with every member of the delegation present.

The minutes of the meeting held at Ossipee were read and approved. The financial statement of the County as well as the recommendation for the budget were given, the latter approximating \$48,000.

The various items in the proposed budget then were considered and it was voted to raise the sum of \$53,367.25, including \$5,400, for maintenance of the Farm Bureau, be raised for the years of 1927 and 1928; the amount of approximately \$6,200 raised for repairs and additions for 1927, to be used in at least the sum of \$5,000 for retirement of that amount of the notes of the County.*

* This vote was rescinded by a vote at meeting of March 9, 1927.—Eugene I. Smith, clerk.

It was voted that the chairman appoint a committee of three to investigate the cost of providing better quarters for the old men at the County Farm, this committee to report to the delegation before the close of the session, this committee also to investigate the possibility of changing the door into the jail. The following committee was named by the chairman: Senator Clow of Wolfeboro, Rep. Wilcox of Ossipee and Rep. Bennett of Freedom.

It was voted to intrust the County Commissioners to place a door to the fire escape, in place of the present window, in the present men's quarters on the top floor, also to investigate the cost for more adequate fire insurance.

The following resolution was adopted: Resolved: That the Carroll County Delegation to the General Court recommend to the County Commissioners:

1. That Dr. Chesley be hired to inspect the bull at the County Farm and report his condition immediately.

2. That the cattle at the County Farm be tested by the proper state authorities.

3. That the County Commissioners co-operate as far as possible with the Farm Bureau as to matters pertaining to farming, and that some acreage be used for experimental purposes such as raising alfalfa and other farm products. The object of this is to see if the farm conditions cannot be improved by the example of the County Farm being used somewhat as an experimental station.

4. That the Commissioners immediately place a French door in the attic leading to the fire escape in the place where a window is now located.

No further business appearing it was voted to adjourn subject to a call by the chairman.

EUGENE I. SMITH,
Clerk.

Concord, New Hampshire, March 9, 1927.

The Carroll County Delegation met at the close of the afternoon session in Room 300 of the Patriot Building with all present but Hamlin, Murchie, Gray and Coolidge. Senator Clow also present.

The minutes of the meeting of March 2nd were read and approved.

The chairman read a letter from Dr. Chesley reporting that he had examined the bull at the County Farm and found him afflicted with Chronic Indigestion, caused from a catarrhal condition of all membranes from mouth to rectum, but no evidence of tuberculosis. He recommended the slaughter of the animal as the case was incurable. The stock, he reported to be in good condition, but strongly recommended that the herd be given the Tuberculin Test by the State Federal authorities. The Chairman reported that the bull had been slaughtered.

The committee, composed of Senator Clow and Representatives Wilcox and Bennett appointed by the chairman at the meeting of February 2nd, submitted a report as to certain conditions at the County Farm. As a result of a consideration of this report it was voted to rescind the appropriations for 1927 and 1928, adopted at the meeting of February 2nd, and adopt an appropriation for the sum of \$56,529.25 for each of the years of 1927 and 1928, and that all the unexpended balances of building and repair accounts be applied on the note indebtedness in 1928.

A report of insurance in force at the County Farm showed an inadequate amount of protection, viz. \$34,000 on the property. It was voted that the Commissioners be instructed to carry not less than \$50,000 in insurance on the County Farm buildings.

It was voted to add an emergency fund of \$1,000 to the appropriations for each of the years 1927 and 1928. (The amount is included in the total of \$56,529.25 in a paragraph above.)

It was voted that the chairman appoint a committee of three from the County Delegation, whose duty it shall be to visit the County Farm each month, for the purpose of conferring with the Commissioners and Superintendent, with the object of creating a closer relation between the Delegation and the Commissioners and the people of the County, to co-operate with the Commissioners for the benefit of the whole County, and make a report to the chairman of the Delegation. The Chairman named the following members on this committee: Reps. Richardson of Moultonboro, Himes of Wakefield and Gray of Jackson.

It was also voted to instruct the County Commissioners to start an apple orchard on the County Farm.

No further business appearing it was voted to adjourn subject to call of the chairman.

EUGENE I. SMITH,
Clerk.

COMMISSIONERS' REPORT

TO THE CITIZENS OF CARROLL COUNTY:

In compliance with the State law, we hereby submit our annual report for the year ending December 31, 1927, with statement of the financial condition of our county including reports of the Treasurer, Superintendent of the Farm, Solicitor, Clerk of Court, Sheriff and other officers.

In the past year we have made a few very much needed improvements, such as building an addition to the Alms House; repairing the water system at the jail; repairing the Big barn; painting the Alms House and Jail. We have improved the livestock by replacing with Guernsey stock. At the Court House we have repaired the eaves which were in a leaky condition and have improved the heating system by thorough overhauling.

You will see by this report, under heading Claims Allowed by the Commissioners, that some of the appropriations have been over expended.

The Advisory Committee, appointed by the Carroll County Delegation, has met with us several times.

The Carroll County Farm Bureau held its Field Day at the Farm. In the Fall the Delegation and their wives met at the farm. We, the Commissioners, feel that a great deal of good has come from these meetings.

Mr. and Mrs. Mason, superintendent and matron of the Farm, continue with us and we wish to express our appreciation for their services and to each County official and Selectment of the Towns.

CHARLES E. SMART,
CHARLES M. TOWLE,
HORACE RUST,
County Commissioners.

Report of County Solicitor

TO THE COUNTY COMMISSIONERS:

During the year of 1927 there were returned twelve indictments, four for adultery, two for rape, three for embezzlement, one for breaking and entering, one for larceny and one for burglary.

The adultery cases were disposed of by fines and suspended jail sentences. One rape case was disposed by a State Prison sentence and the other by a suspended jail sentence. The larceny and breaking and entering and burglary cases were disposed of by sentences in State Prison and jail. The embezzlement cases were continued pending settlement with the Bonding Companies.

The County has been free from any considerable violations of the law.

Our Sheriffs have been very diligent in their effort to suppress the illegal sale of liquor and are to be commended for their zealous services.

Respectfully submitted,
